

A WEEK AT 4-H CAMP

May 30 – June 3, 2011

Camping is one of the most valuable experiences a child can have. It's a learning experience that helps boys and girls appreciate the outdoors, live together as a group, get along with others and appreciate people with different interests and backgrounds.

Students in 4th, 5th, or 6th grade who are 12 years of age or younger as of January 1, 2011 are eligible. Campers can pick between several tracks that are offered at camp. When students are not in their track they participate in a number of recreational activities.
