LASERS - La. State Employees Retirement System	
Retirement eligibility and formula requirements changed 07/01/2006. They are broken down below. Other formulas apply to employees with LSU Funded and Nonfunded system service (service prior to 01/01/79).	
<p style="text-align: center;">EMPLOYEE BECAME A MEMBER PRIOR TO 07/01/2006 AND HAS NO BREAK WITH REFUND OF CONTRIBUTIONS SINCE THEN</p> <p style="text-align: center;">Benefit formula: <u>2.5% x years of service x highest consecutive 36-month average salary</u></p> <p>Eligibility: 10 years at any age – 2.5% formula 20 years at any age - 2.5% with actuarial reduction 25 years at age 55 - 2.5% formula 30 years at any age - 2.5% formula</p>	<p style="text-align: center;">EMPLOYEE LAST BECAME A MEMBER 07/01/2006 OR AFTER</p> <p style="text-align: center;">Benefit formula: <u>2.5% x years of service x highest consecutive 60-month average salary</u></p> <p style="text-align: center;">Eligibility: 10 years at age 60</p>

ORP - Optional Retirement Plan
Because the ORP is a defined contribution plan, no benefit formulas or eligibility requirements apply. The employee receives income based on earnings in his/her account. Members of the ORP are not <i>retirees</i> of any system. They are, however, eligible to maintain health insurance in a Group Benefits Program plan provided they meet TRSL age and service requirements at the time of separation.
