4-H... More than you ever IMAGINED!!!

Dear 4-H Leader,

What an AMAZING start to a 4-H year!!! We have such great leaders at our schools who give their time to the Terrebonne 4-H Program. Our program is growing and that is a direct link to you... our 4-H Volunteer Leaders. Thank you for promoting the 4-H events and activities within your 4-H school club.

The Terrebonne 4-H Program is also welcoming another 4-H Agent, Ms. Ashly Pitre. We are excited about her joining our program and know she will be an asset to us.

NATIONAL 4-H WEEK

National 4-H Week is here and we hope that you are able to involve your club in activities throughout the week. We have had banners made for National 4-H week that will be displayed throughout the parish... be on the look out for green and white.

Our Junior Leader Club will kick the week off Sunday, October 2, at Tractor Supply. We will give out 4-H items as well as sell baked goods.

October 5 will be our Clover Hunt at the Houma Airbase Pavilion— 5:00— 6:00 p.m. We have made changes to the clover hunt a bit to make it more interactive. We will also conduct a science experiment since it's National Youth Science Day.

We will conclude the week with our first 4-H Cookery—Seafood—at Caldwell Middle School.... Hope to see you there.

EDUCATIONAL FOCUS AND COMMUNITY SERVICE

This year's educational focus is Leadership. We will conduct a variety of fun interactive lessons to help your youth find the leader within and to explore leadership opportunities within their community. Our Community Service focus this year is the military. We will collect different items throughout the year to donate to different groups of military men, women, and children.

Thank you for joining the Revolution of Responsibility. We look forward to working with you throughout the year.
