<b>Class Registration (deadline: )</b>	<b>Contact:</b> Community Education 985-785-7268 <a href="http://www.stcharles.k12.la.us">www.stcharles.k12.la.us</a>
<b>Sept. 20</b> 	<b>All About Roses!</b> – Make roses the glory of your garden! Learn about the different kinds of roses, how to plant them and how to manage disease and insect problems. Learn the tools and tricks of the trade for growing beautiful roses. Instructor: Mike Minnich, Louisiana Master Gardener Tuition: \$5.00
<b>Sept. 27</b> 	<b>Success with Growing Vegetables</b> – Learn the basics for growing healthy, quality vegetables in the spring and fall and provide a bountiful harvest through successful vegetable gardening right in your own backyard! Instructor: Rene’ Schmit, County Agent, LSU AgCenter Tuition: \$5.00
<b>Oct. 25</b> 	<b>Backyard Composting-Black &amp; Gold</b> - Enrich your landscape soils with the addition of fresh compost made in your own backyard. Learn the basics to create efficient composting, including the do’s and don’ts. Don’t waste the yard waste! Turn it into soil! Instructor: Rene’ Schmit, County Agent, LSU AgCenter Tuition: \$5.00
<b>Nov. 29</b> 	<b>Simple Irrigation for Landscape Beds</b> – Take the need out of having to hand water shrubs and flowers! This program will provide a step-by-step process on a do-it-yourself installation involving a very simple and inexpensive irrigation system for landscape beds. Instructor: Rene’ Schmit, County Agent, LSU AgCenter Tuition: \$5.00
